

Maple River Brutus Road

Fish Species

Brook Trout, Brown Trout and Rainbow Trout

Species Description

Brook trout, brown trout, and rainbow trout can all be found in the Maple River.

Geographic Coordinates

Lat:45.4932 / Long:-84.74231

Noteworthy

Most of the river bottom in this area is sand. Overhead cover and pools are from logs in the river.

Fishing Regulations

The Maple River at Brutus Road is a designated Type 4 trout stream. Please refer to the Inland Trout and Salmon Stream Regulations in the current Michigan Fishing Guide.

Directions to Site

There is a Miller VanWinkle Trout Unlimited sponsored parking lot off the south side of Brutus Road just west of the river crossing. From there, you can either walk the road to the crossing, or walk a trail/two-track off the parking lot that parallels the river, with numerous access points to the river.
