

Boardman River Scheck's Place

Fish Species

Brook Trout; Brown Trout

Species Description

The Boardman River fish community in this location is a nice mixture of bigger brown trout and brook trout. No stocking occurs in this section of the river and the trout populations are entirely dependent upon natural reproduction.

Geographic Coordinates

Lat:44.652654 / Long:-85.456669

Noteworthy

This section of the Boardman River has cooler water temperatures and good sections of gravel that can be a very productive stretch of river to trout fish throughout the summer months. The river here is approximately 25 feet wide, with a lot of overhanging trees and cover as well as in-stream woody debris.

Fishing Regulations

The Boardman River at Scheck's Place is a designated Type 1 trout stream. Please refer to the Inland Trout and Salmon Stream Regulations in the current Michigan Fishing Guide.

Directions to Site

From Traverse City take Garfield Road to Hobbs Highway/Ranch Rudolph Road. Follow Ranch Rudolph Road to Brown Bridge Road. Turn right onto Brown Bridge Road and follow it back to the campground entrance. The river may be accessed from the campground or adjacent State land.
