**Comments from Stakeholders**

Open House at the Ishpeming Field Office, Ishpeming, Michigan on September 11, 2013. Seventeen visitors came to view maps, data, and to discuss prescriptions with staff. Two written comments were received regarding:

- Ask for more information about harvest plans around horse trails.
- Concerns about loss of aspen and "no net loss" of aspen.
- Use of 300 foot stream on larger rivers (Escanaba River).

**Compartment 21**

Changes made at compartment review:

- No Changes

**Compartment 33**

Changes made at compartment review:

- No Changes

**Compartment 49**

Changes made at compartment review:

- No Changes

**Compartment 61**

Changes made at compartment review:

- No Changes

### Compartment 66

Changes made at compartment review:

- The SCA Report was missing from the Compartment Packet. The report will be added to the Compartment Review Packet and sent to the attendees of the compartment review.

### Compartment 70

Changes made at compartment review:

- Stand 35 delayed decision to add comment in regard Clearcut acreage being over 100 acres. The unit will provide that language no later than October 30, 2013. Consensus was reached October 15, 2013 by the Unit. Half of the stand will be treated this entry year leaving the rest for treatment in the following entry period. Two or three 60 to 40 acre blocks will be clearcut out of the stand to improve the age class diversity of the area.
- Stand 19 add comments to keep retention higher than 7% (might already be in the prescription)
- Stands 19 and 35 add comments leave larger aspen for raptor nests.

### Compartment 83

Changes made at compartment review:

- No Changes

### Compartment 87

Changes made at compartment review:

- Stand 16 remove prescription and revise Limiting Factors as appropriate.
- Stand 34 and 35 remove Limiting Factors

### Compartment 91

Changes made at compartment review:

- Multiple stands, change Limiting Factor to Needs New Bridge.

### Compartment 102

Changes made at compartment review:

- Review and correct the start dates on all treatments.

### Compartment 205

Changes made at compartment review:

- Stands 9 and 12 review and correct the treatment start dates

### Compartment 215

Changes made at compartment review:

- No Changes

### Compartment 225

Changes made at compartment review:

- Stand 45, add comment to treat with herbicide if needed.

**Compartment 235**

Changes made at compartment review:

- Stands 21, 22, and 26 add comments to retrain large aspen for raptor nests and pileated woodpecker

**Compartment 245**

Changes made at compartment review:

- No Changes

**Compartment 255**

Changes made at compartment review:

- No Changes

**Compartment 265**

Changes made at compartment review:

- No Changes

**Compartment 275**

Changes made at compartment review:

- Stand 17 add comments to herbicide if needed and that site preparation will be done after July 15<sup>th</sup> due to Kirkland Warbler.

**Compartment 285**

Changes made at compartment review:

- Stands 8, 14, 17, 22, 24, 25, and 26 add comments that there will be no chipping of tops to benefit American marten.
- Treatments previously under contract will have their start dates reviewed and corrected.

**Compartment 295**

Changes made at compartment review:

- No Changes

As the Compartment Review Meeting Facilitator, I certify that the above changes were agreed upon.

  
John M. Hamel, Inventory and Planning Specialist
