

C52-541

County Otsego	Town 29N	Range 04W	Subdivision Section 23: NE1/4, NENW	YOE 2022	Compartment(s) 21	Stand(s) 22
------------------	-------------	--------------	--	-------------	----------------------	----------------

Cover Type Objective:	Planted Red Pine	Acres:	50.7
Approved Methods:	Trench, herbicide, and plant red pine. Roller chopping is also approved but should not be needed.		
Treatment Number(s):	52021022		
Timber Sale Number:	52-015-22		
Sale Admin Staff:	Matt Foster		
Contract TCR Date:	6-21-2023		
Comments:	Sale was harvested in spring of 2023. Site looks good and will not need to be roller chopped. Be aware along the west end of cut area, stand 12 is an aspen stand that is to be left to naturally regenerate (do not trench).		

Proofing Comments	
Recreation:	Snowmobile trail at north end on pipeline ROW
Water:	Kolke Creek ~150-200ft from cut area at south end
HAL:	No HAL hit.
MNFI:	No MNFI hit.
