Approved Methods: Trench & plant RP at standard spacing. Leave open all existing roads within the planting area.	
Timbersale number: 72-045-17-1	
Sale admin staff: Barnes/Nellis	
Harvesting completed by: June 2019	
Contract TCR date: 8/7/2020	
Comments:  Check with Unit manager or Forester prior to mobilizing equipment as it may be necessary to acquire a Forest Service road use permit for access. Harvested in 2018/19 (72-045-17-01). Some small slash piles remain on northeast edge. Aspen regen in finger adjacent to stand 36 and 51. FS RD 4073 dead ends at the river, the only good turn-around is where 4073 turns south onto state land. The secondary forest rd along the south side of stand 34 runs down a valley with fairly steep slopes.
