Stake drag tooth glass

#4 USGS S51°W 42'

Thomas H. Sage, R.L.S. #33139

LCRC # 1277, June 26, 1996

Found ½" x 1½" x 18" iron at the surface of and in the center of Beech Avenue on the extension of a fence line to the West. Upon excavating found broken glass surrounding the iron and a pine root located 0.1 feet North. Removed iron, glass and root and placed a ½" iron with cap #33139 at the position of the found iron, 12" below the surface.

#5 Fence Post West 31.85'

Set spike with cap South side

#6 10" White Oak S45°W 28.90'

Set spike with cap East side
