

SECTION 19 T 32 N R 3 E MONTMORENCY COUNTY

SCALE 1" = 400'

SURVEY REPORT

PURPOSE

The purpose of this survey was to delineate the state-owned land in the SE1/4 of this section for use by Forest Management Division.

PREVIOUS SURVEY AND PROCEDURE

All of the government controlling corners of this section have been re-established in a survey by this Department in 1958.

After traverse line was run to known corners of record, a section subdivision was protected and lines and corners established on the boundaries of the SE1/4, SE1/4 of this section.

SURVEY NOTES

All measurements are in feet and decimals thereof made with a Topcon ET-1 total station.
Bearings are related to the east line of this section as per 1958 survey data.

DESCRIPTION

I, hereby, certify that the map delineated hereon is a true representation of the findings of this survey, and that the monuments found or established and measurements made are as shown thereon.
