This list contains the names of purchasers who previously failed to execute a contract within 21-days or who have a history of poor performance.

If erasures or other changes appear on the forms, each erasure or change must be initialed by the person signing the bid.

Failure to do so will not relieve the Bidder from responsibility for completing the contract.

The Bidder warrants that this bid is submitted solely on the basis of the Bidder's examination and inspection of the quality and quantity of the timber offered for sale and the Bidder's opinion of the value thereof and the costs of recovery. No reliance should be placed on the State of Michigan's estimates of timber quality, quantity or costs of recovery.
