Skid trails up and down slopes should be avoided. If however this is unavoidable, these trails will be left in a non-erodible condition using water bars, logs, and slash. Placing of slash on these skid trails while logging is ongoing may alleviate need for any further action. At the direction of the sale administrator, seed, fertilizer, and mulch may also be required.

#### 5.8.5 - Protection of raptor nests (4/09)

#### 6.2.1 - Road posting (9/09)

The purchaser is responsible for posting and maintaining caution signs on County Road 412 prior to beginning operations. The Purchaser will provide these signs. In addition, Signs are required at the intersection of County Road 412 and County Road 437 (near Little Lake Harbor) and at the junction that is east of the boundary for Payment Unit 1. Contact the sale administrator for more information about signage for this sale.
