**TIMBER SALE PROSPECTUS #5573**

**REVISION NOTICE #2 - January 22, 2016**

**SCHEDULED SALE DATE AND TIME: 10:00 a.m. (local time) on Friday, February 12, 2016**

**LOCATION: GRAYLING MGMT UNIT, 1955 HARTWICK PINES ROAD, GRAYLING, MI 49738**

This prospectus whose original bid date, time and location are Friday, January 29, 2016 at 10:00 a.m. (local time) in the Grayling Office has been modified with the following changes.

All timber sales in this batch have received the following modifications to the specifications:

Specification 2.2.2 was modified to provide exceptions for chipping mandated by the military if the unit is able to obtain a written exception from the military. This is to provide flexibility with harvesting as long as lack of chipping does not negatively impact military operations.

Specification 8.3.1 was added to all sales specifying "In addition to cutting, all chipping must be completed by the contract expiration date. If chipping has not been completed, an extension fee or damages may be charged per General Condition & Requirement 7.2 and 8.3".

For Tank Trail Oak Sale we removed specification 2.2.2 as chipping is no longer required for this sale. We added specification 5.2.1 to manage slash if sale is not chipped.

The sale map for the TANK TRAIL OAK timber sale (72-617-14-01) has been updated. Please use the attached sale map when bidding on this sale and disregard the original sale map sent with the prospectus.
