SCHEDULED SALE DATE AND TIME: 11:00 a.m. (local time) on Tuesday, February 21, 2017

LOCATION: ROSCOMMON MGMT UNIT, PO BOX 218, ROSCOMMON, MI 48653

This prospectus has been modified with the following changes.

PLEASE NOTE: Revision to existing access to Payment Units 1,2, and 3 on Crane Creek Aspen #71-014-16. This is to notify the approval of the use of the alternative route enclosed on the new Map-Page 1 as a haul route to enter those units for this sale from the east, travel carefully down the ORV trail; and may discuss with Timber Sale Administrator the option to widen the old two track on the REVISED Sale Map Page 1 of 2, which is outside the sale boundary. Be Aware this alternative route also crosses the Consumers Power tower line and pipeline easements. The ORV trail/two track has been painted with PINK paint to mark the portion for use.

If the winning bidder desires to access payment units 1,2, and 3 from Fairview Road, it is the responsibility of the bidder TO CONTACT Consumers Power and DCP Pipeline PRIOR TO beginning operations. Consumers Energy contact number is (989) 667-5260. Also, please contact Dave Merideth at DCP Pipeline at (989) 858-1306. If the ORV Trail is utilized as a haul route at that location, it must be signed, maintained and graded on a daily basis; and when operations are finished, it must also be restored at that time operations have concluded.

No Trimming or Cutting of Oak from April 1st - July 15th due to oak wilt. Improvements must be completed to access route prior to or after those dates.

The sale maps for the Crane Creek Aspen timber sale (71-014-16) have been updated. Please use the attached sale maps when bidding on this sale and disregard the original sale map sent with the prospectus.

We apologize for any inconvenience this may have caused. If you need assistance, please contact Steve Anderson at 989-275-4622 ext. 2740.
