This prospectus has been modified with the following changes.

No changes have been made, but note that three sales on this prospectus: Call of Duty - MWR (45-102-17), Raven Hardwood - MWR (45-103-17) and C158 MWR (45-108-17), contain the following clause that provides for a free or reduced cost extension for another sale owned by the purchaser. Please consider this when placing your bids.

**7.2.7 - Research extension (12/16)**

This is a research sale with a short contract length. The sale must be harvested promptly. One (1), twelve (12) month extension can be applied to one (1) other State Forest Timber Sale Contract owned by the purchaser or owned by one (1) designated sub-contractor of the Purchaser that works this contract. To qualify, the contract expiration date of the contract to be extended must be within twelve (12) months from the issue date of this contract. If this is the first extension on the other State Forest Timber Sale Contract, then the 5% extension fee will be waived. If this is an additional extension, the 10% fee will be reduced to 5%. The salvage extension must be used before this contract is closed-out. This specification does not alleviate the purchaser from any contractual obligations of the extended State Forest Timber Sale Contract. Per General Condition & Requirement 7.2, extensions are at the sole discretion of the DNR.
