TIMBER SALE PROSPECTUS #6421

REVISION NOTICE #1 - October 4, 2019

SCHEDULED SALE DATE AND TIME: 9:00 a.m. (local time) on Tuesday, October 29, 2019

LOCATION: GRAYLING MGMT UNIT, 1955 HARTWICK PINES ROAD, GRAYLING, MI 49738

This prospectus has been modified with the following changes.

The chipping requirement for the Monument KW Block timber sale (72-008-19) has been modified to:

2.2.2 - Chipping required (2/18)

Payment Units 2, 3, 4, 6, 7, 8, and 9 must be chip harvested to meet Kirtland's warbler habitat requirements. If market conditions limit the practicality of chipping, tops and slash must be arranged in a way that will not inhibit future planting operations, as directed by the sale administrator. The producer may skid all remaining topwood out of these payment units and scatter in locations approved by the sale administrator. If the deadline is not met, damages will be collected determined by the cost to complete this work. A chipping exemption can be obtained if proposed operations are determined to be suitable for planting by reforestation staff. This exemption must be granted in writing. The requirement to retain approximately 1/6 to 1/3 of tree tops and limbs less than four inches in diameter does not apply (G. C. & R. 2.2).

The original spec was:

2.2.2 - Chipping required (2/18)

Payment Units 2, 3, 4, 6, 7, 8, and 9 must be chip harvested to meet Kirtland's warbler habitat requirements. The requirement to retain approximately 1/6 to 1/3 of tree tops and limbs less than four inches in diameter does not apply (G. C. & R. 2.2).
