

Township N. 17 south, Range N. 1 west - Min. (Mich. Terr.)

Presented to a Court with two instructions from Deane & Tyler, Surveyors General of the Territory, being that the  
 I have administered had out and surveyed the above described land so that he should be able to have such records  
 can be made both actual and certified as are represented on said plat and inserted in the field notes in a thing and returned  
 this plat into the Surveyors General office, certified this 27th day of May 1834.
