

Township N. IV. South, Range N. XI. East of Mer. (Mich. Ter.)

Tabl. St. 2 655.02

According to a contract with and endorsement from Cassin's Office  
 before the Surveyor General of the United States bearing date the  
 11th day of 1816 I have surveyed dimensions and laid out the  
 land described therein, and as nearly as may be, the  
 same as being both actual and artificial as are therein  
 described, and divided into the lots into which they are  
 divided, and this I did on the 11th day of May 1817.

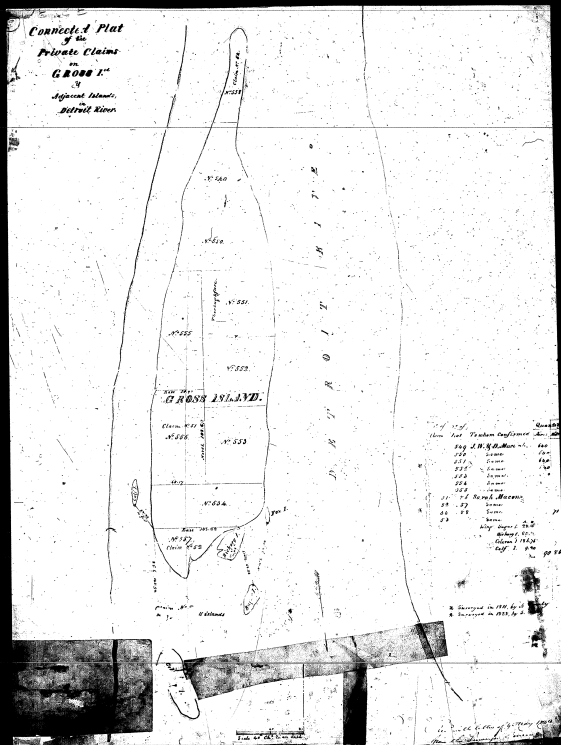

certified this 11th day of May 1817
