( $\frac{1}{4}$ ) T26N1R9E  
 NORTH QUARTER CORNER SECTION 12.

Found a stone in center of  
 Road as described by Pettys  
 in testimony. Old fence ran north  
 and south. Mr. Hastings says he and  
 J. Savoy started here to determine  
 his south line.

CENTER OF SECTION 12

Pettys in testimony gives this  
 as a square stone 2628 feet  
 from  $\frac{1}{4}$  Corner to South. Says he  
 found it. It was 1314' from  $\frac{1}{8}$  Cor  
 to north and 2628' from  $\frac{1}{4}$  Cor  
 to north.

We found a brass plate in  
 3" Iron pipe in east ditch  
 of new highway. Highway  
 engineers say that contractor  
 replaced old stone by this  
 mark but that they did not

NOTES FROM GIVE

GIVE any assistance.  
 We found the mark to the west  
 of old fence to west.
