Description of corner evidence found and/or method applied in restoring or re-establishing corner: G7 - Sec. Cor. Common to Sec. 15, 16, 21 & 22 - No GLO evidence. All CSR BT's are gone. Used 1911 Co. Sur. record notes to re-establish corner as follows: Found 1911 corner at 'G6' and re-established 1911 'G5' position (not used as 'G5') from OBT and 33' N of 1914 Lucas 'G5' position (accepted corner) as noted by Lucas. 'G6' was established midway and on line between 'G7' and 'G5' in 1911. Thus extend line from 1911 'G5' through 'G6' to control longitudinal position for 'G7'. Latitude for 'G7' per 1911 notes as follows: S 2641.03' M. vs. 2640' -R. (1911) to 'G8' and N. 2641-03' M. vs. 2640' -R. (1911) to 'G8' and N. 2641-03' M. vs. 2640' -R.
