INTEROFFICE COMMUNICATION

Crystal Falls, Michigan  
October 23, 1974

D. V. J.

TO: Weldon J. Montgomery, Land Use, Forestry Division

FROM: Arthur O. Enger, District Land Surveyor, District 2

SUBJECT: Correction on Land Corner Recordation Certificate

The following correction should be made on the certificate for the S 1/16 corner between Section 23 and 24, T48N, R32W, Baraga County (Corner 14 on the certificate):

For the witness trees for the corner, the correct data should be

Sugar Maple 10  $N80^{\circ}W$  (mag.) 6.8 ft. "1/16S, BT"  
Sugar Maple 6  $S24^{\circ}W$  (mag.) 12.7 ft. "1/16S, BT"

rather than as now shown on the certificate.

The change is brought about by the corner having been first placed erroneously from the wrong reference point. The corner has now been moved to its proper location, hence the new witness data.

All other copies of this certificate have been or will be changed to show the new information.
