A. Description of original monument and accessories and/or subsequent restoration:

(C4) Quarter corner common to Sections 7-8. Corner established in 1852 by U.S. Deputy Surveyor Francis S. Houck. Griginal BTs: Y. Birch 20 N49E 35 links, Sugar 6 S53M 32 links. Original line notes show "Top of ridge and ledge 50 C E+M", south 12.00 ch. and "Intersect stream 15 CHNM+leave swamp CNNM", north 17.7 ch.

(04) Center of Section 8. Corner not established in the original survey. Found no subsequent record. (12-Sec. 8) South 1/16 corner, Section 8. Corner not established in the original survey. Found no subsequent record.

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

(C4) Original post and accessories not recovered. Found no evidence of prior monumentation at the corner position. Found no acceptable evidence of the location of the original corner. Reastablished the corner by single proportionate measurement to the original record between reestablished corners 2637.82° north and south. At the position for the corner, I placed a 1"x32" iron pipe capped with a 4" dia. cast aluminum MDHR tablet. From the corner monumented, the line call to "top of ridge and ledge 50 C E+N" checks very well. Stream crossing call to north measures 0.5 ch. longer than record but stream channel appears unstable and it's location has likely changed several times.

(D4) Found no evidence of prior monumentation. Established the corner at the intersection of straight lines connecting opposite 1/4 corners, all monumented. At the position for the corner, I placed a 1"x32" iron pipe capped with a 4" dia. cast aluminum MONR tablet. From the corner, a wood post, being a forester's approximate corner, bears southwest, approximately 3 ft.

(12-Sec. 8) Found no monumentation at the corner position. Established the corner midway and on a straight line between Quarter corner to south and center of section 8, both monumented corners. At the position for the corner, I placed a 1°x32° iron pipe capped with a 4° dia. cast aluminum MDNR tablet.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

(C4) Set 1° pipe with 4° HONR cap.

(D4) Set a 1° pipe with a 4° HONR cap.

(12) Set 1° pipe with 4° HONR cap.

north of the

(C4) Set 1° pipe with 4° MDMR cap.
Blazed and scribed the following new
bearing trees:
5° Maple \$43£ 10.6' 1/45 MBT'
10° Maple \$58W 18.7' 1/45 MBT'
8° Maple M38W 23.2' 1/45 MBT'
7° twin Maple M59£ 18.6' 1/45 MBT'
Placed a 4° squared maple post 1 ft.

north of the corner.

(D4) Set a 1" pipe with a 4" MDMR cap.
Blazed and scribed the following bearing trees:
12" Sugar S56W 6.0" "1/4S BT"
8" Sugar M23W 6.2" "1/4S BT"
6" Sugar M30E 13.1" "1/4S BT"
10" Sugar S63E 25.8" "1/4S BT"

Placed a 3' squared cedar post 1 ft.

SURVEYOR

Blazed and scribed the following bearing trees:

9" Maple S70W 15.7' "1/16S BT"
14" Maple N21W 8.5' "1/16S BT"
5" Balsam M54E 42.5' "1/16S BT"
B" Maple S74E 8.5' "1/16S BT"
Placed a 4" squared fromwood post 1 ft. south of the corner.
