"NBT". Both blazes as well as a band around the tree at the upper blaze are

painted red.

Surveyor's Michigan License No. 39091

Signed by _

A. Description of original monument and accessories and/or subsequent restoration:

G-2; One-quarter Corner common to Sections 3 and 4, T51N, R33W;

Originally established during U.S. Survey conducted by Harvey Mellen, D.S. in 1845 and monumented with a yellow birch post witnessed by a

Fir 10 \$19°W 9 lks. Fir 8 N36°E 34 lks.

During the course of a survey conducted by Stephen Douglas of the Bureau of Land Management from 10 May 1984 to 10 November 1984 and approved 23 September 1985, this corner was considered lost and reestablished on line and at proportionate distance between the government corners immediately to the north and south. The BLM monumented this position with a 2½" x 30" aluminum pipe with cap and noted the following accessories:

Power Pole S78°E 79 lks. (52.14') Set a 7" spike directly below a found nail on the S/side. Measured S84°E 51.89'

Aspen 6 S09°W 471/2 lks. (31.35') Gone
