B. Description of corner evidence found and/or method applied in restoring or reestablishing corner: A-3 (T45N, R1W) This corner is being re-established as part of the Chippewa County Remonumentation Program. Found no evidence of corner or its accessories. Re-established corner by single proportionate measurement on range line between Southwest corner of Section 18, T45N, R1W to the south and Northwest corner of Section 6, T45N, R1W (Township corner) to the north. Note: A galvanized pipe bearing N39°E 49.9 feet from set corner was found. It was set by landowner in the NW½ of NW½ of Section 7, T45N, R1W, who told me that he set the pipe merely as an approximation of his corner. C. Description of monument for corner and accessories established to perpetuate locating the position of the corner: A-3 (T45N, R1W) Corner is a 3/4" x 24" rebar with 3½" aluminum Chippewa County Remonumentation cap. Witnesses: 7" Spruce, N72°E 25.92' Note: Distances are to a nail and tag in the side of the tree. Trees are blazed a and painted. Bearings are compass bearings corrected for declination.	Found no evidence	of subsemient	restoration of con	rner KEIIHK: **
8. Description of corner evidence found and/or method applied in restoring or reestablishing corner: A-3 (T45N, R1W) This corner is being re-established as part of the Chippewa County Remonumentation Program. Found no evidence of corner or its accessories. Re-established corner by single proportionate measurement on range line between Southwest corner of Section 18, T45N, R1W to the south and Northwest corner of Section 6, T45N, R1W (Township corner) to the north. Note: A galvanized pipe bearing N39°E 49.9 feet from set corner was found. It was set by landowner in the NW½ of NW½ of Section 7, T45N, R1W, who told me that he set the pipe merely as an approximation of his corner. C. Description of monument for corner and accessories established to perpetuate locating the position of the corner: A-3 (T45N, R1W) Corner is a 3/4" x 24" rebar with 3½" aluminum Chippewa County Remonumentation cap. Witnesses: 7" Spruce, N72°E 25.92'	round no evidence	or papacdacue	resectation of co.
