A. Description of original monument and accessories and/or subsequent restoration:

A-13 (T45N, R1W) Corner Common to T44N, R1W, T45N, R1W, T44N, R2W & T45N, R2W.

Cedar 12, N47°E 08 links - Pine 14, S75°W 17 links. Original ties to post: 1978 - As recorded in liber 1, page 366, Chippewa County corner records, by Thomas M. Kelly, R.L.S. 24599. Found 2" pipe and decayed post matching County Surveyor notes dated October 1913. Witnesses: 12" White Birch, 6" Pine, S66°W 19.13' 8" Pine, N40°W 33.88' N80°E 18.69'

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

A-13 (T45N, R1W)
This corner is being perpetuated as part of the Chippewa County

Remonumentation Program.

Found a 2" iron pipe 3 feet above ground in a swampy area approximately 1200 feet west of a north-south 2-track road west of the Chippewa County International Airport. I located this pipe in a previous survey in 1987 and it checked well with other corners in area as shown on a sketch done by Thomas M. Kelly, R.L.S. 24599. Also found a previously blazed spruce northeast of corner which matches distance shown in liber 1, page 366, to what appears to be mistakenly labeled a 8" pine. The bearing to the pine also appears to be mistakenly shown as Northwest instead of Northeast. Accepted corner position as found and replaced pipe with a 3/4" x 48" rebar and aluminum Chippewa County Remonumentation cap. Laid 2" pipe next to 3/4" rebar.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

A-13 (T45N, R1W)

Corner is a 3/4" x 48" rebar with 31" aluminum Chippewa County Remonumentation Witnesses: cap. Witnesses:
 6" Balsam Fir, N04°E 45.08'

10" Spruce, N46°E 33.98' 11" Spruce, S63°E 35.74'

5" White Birch, S46°W 21.13'

Note: Distances are to a nail and tag in the side of the tree. Trees are blazed a and painted. Bearings are compass and painted. Dearings declination bearings corrected for declination
