I, Marvin E. Myers., in a field survey on 10-16, 1998 do hereby state that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and /or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; established, re-established, monumented, recovered, found as expressed below:

NOTE: Not more than 2 corners, all in the same town and range, may be recorded on this certificate.

A. Description of original monument and accessories and/or subsequent restoration:

GLO - 1852 A.P. Brewer, DS

1930's M. Schaaf

Mon - Iron

MON - POST

Wit:

10" W. PINE N85°W 24 LKS.

10" S. PINE S84°E 17 LKS.

## B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

The Schaaf monument at this location has been obliterated by road construction a midway and online position was computed to narrow the seach area. M. Schaaf notes indicate that he established irons at 1/8 corners the East 1/8 corner was found and a position for the South ¼ was computed by extend and doubling over the 1/8 line distance the two positions fall within the intersection of trail roads when deep cuts were made and are within 6 feet of each other. The 1/8 corner was used as collateral evidence to reestablish the position of the ¼ corner. This position is near the intersection of the N-S & E-W trails. Accepted position as a careful and faithful establishment of the position of the corner. Set Standard Crawford County Monument 0.5 below surface.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

Mon - Standard Crawford County Monument.
