I, Carl T. Kiiskila, in a field survey on April 15, 2002 do hereby state that under requirements of PA 74, Michigan PA of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and/or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law, established, re-established, monumented, recovered, found as expressed below:

**NOTE: Not more than 2 corners, all in the same town and range, may be recorded on this certificate.**

- A. Description of original monument and accessories and/or subsequent restoration:
- |                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                          |
