## B. Description of corner evidence found and/or method applied in restoring or reestablishing corner.

(19) Found and accepted Enger's monument, as described, in good condition, and at record bearing and distance from his two remaining MBTs: M. Spruce MSOE, and M. Spruce M63M. The third mitness is dead and down. The undersigned subsequently cut down the Spruce MSOE above the BM blaze to facilitate GPS observations. Left the monument in place and marked three new accessories as described below. (I3) Found and accepted Buckler's monument, as described, in good condition, and at record bearing and distance from all three 1959 witnesses. The J. Pine NE is a dead stub but the scribing is visible. The other two witnesses are in good condition. Left the monument in place and marked a new witness as described below.
