1994/Remon - Found Concrete Monument, Wade-Trim, Inc. Remonumentation  M5 to M7= 5437.08' GPS PHYSICAL OCCUPATION NOTES: The GLO notes call for a distance of 25 chains (1850') to the North of this corner to the end of a swamp. A distance of approximately 1850' was scaled off an aerial photo from the concrete monument to the edge of a swamp to the North. The concrete monument found is near an ancient fence corner truning to the West and to the North. Also, by looking at the aerial photo, the section lines to the North and the West are very apparent. To the North there is a definite tree line and to the West there are evident occupation lines. Also, a man named Nicholas Petts, whom lives on the adjacent property to the south, says that the concrete monument is the section corner and he knows it has been for at least forty years.  Ratified by Genesee County Peer Group November 23, 1994  C. Description of monument for corner and accessories established to perpetuate locating the position of the corner.
