B. Description of corner evidence found and/or method applied in restoring or reestablishing corner: No evidence of original bearing trees found due to road construction. Corner restored at the interest of the centerline of a East/West and North/South Roads. At the corner position found a P.K. Nail. I accept the P.K. nail as the best location as it checked out to the creek call to the West and river call to the East in accordance with the field noted of the original Government Survey.

Richard L. Drahn 8/24/99

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

I replace the P.K. Nail with a 2" brass cap marked

T.46 N., R.46 W.; 1/4; S-4, S-9; 1999; P.S. 23509. I established the following
