do hereby certify that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with the rules of that Whichigan Board of Land Surveyors of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and/or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law, established, monumented, re-monumented, recovered, found as expressed below. NOTE: Not more than 4 corners, all in the same town and range, may be recorded on this certificate. A. Description of original monument and accessories and/or subsequent restoration: This corner was first set by Lucious Lyon in 1827. He set a wood post witnessed by a 9" Blas S 20° E 34 links and a 18" Black Oak N 59° W 15 links. RESTORATION: D.C. Crawford former Ionia County Surveyor, remonumented all of Portland Township in the 1890's. Most corners were remonumented with 2 1/4" glazed clay cylinders. Crawford's witnesses to these section corners are found as marginal notes on a copy of the Gnotes located in a Ionia County Surveyor's volume. Crawford's marginal note for E-7 states following: 1890, 8" Hickory N 62° E 102 1/2 links; 14" White Oak N 49° W 70 links. Professional Surveyor, George Stevenson #13600 found a 1/2" rod and accepted as the corner is September of 1975. This is recorded in Liber 1 page 183. In October of 1979 I recovered the Description of corner evidence found and/or method applied in restoring or reestablishing corner: Found 1/2" rod and cap on top of clay cylinder. Replaced 1/2" rod with 3/4" rod.
