The R.Oak NE was not recovered. Accepted the corner position as found. The corner learing made for an overhead electrical power line. | |
| On this certificate. A. Description of original monument and accessories and/or subsequent restoration: E10) Quarter corner common to Sections 28-29. Reestablished in 1971 by A.O. Enger, RLS, midway and on line between et 1°10x36° I.pipe with 4° alum. cap. Aspen 7 S10M 20.4′, Aspen 6 S74M 7.0′, Aspen 6 M74E 11.8′ E11) Corner common to Sections 28-29-32-33. Reestablished by double proportionate measurement in 1971 by A.O. Enger "10x36" I.pipe with 4" aluminum cap. Red Oak 8 M19M 70.5′, Red Oak 9 S1.5M 78.5′, Red Oak 6 M27E 58.2′ B. Description of corner evidence found and/or method applied in restoring or reestablishing corner: E10) Found the 1971 monument, set firmly but with cap broken off, at record bearing and distance from the remaining rotting stump. The other MBTs were not recovered. Found a 1/2" rebar projecting 3' adjacent to the monument. The stat and 0.90' north of the record position between Section corners. Accepted the corner position as found. E11) Found the 1971 monument in good condition, and at record bearing and distance from the R.Oak MBTs SM and MM, I condition with overgrown blazes. The R.Oak ME was not recovered. Accepted the corner position as found. The corner learing made for an overhead electrical power line. | 22 23- 24- |
| A. Description of original monument and accessories and/or subsequent restoration: E10) Quarter corner common to Sections 28-29. Reestablished in 1971 by A.O.Enger, RLS, midway and on line between et 1"IDX36" I.pipe with 4" alum. cap. Aspen 7 S10M 20.4', Aspen 6 S74M 7.0', Aspen 6 M74E 11.8' E11) Corner common to Sections 28-29-32-33. Reestablished by double proportionate measurement in 1971 by A.O.Enger "IDX36" I.pipe with 4" aluminum cap. Red Oak 8 M19M 70.5', Red Oak 9 S1.5M 78.5', Red Oak 6 M27E 58.2' B. Description of corner evidence found and/or method applied in restoring or reestablishing corner: E10) Found the 1971 monument, set firmly but with cap broken off, at record bearing and distance from the remaining rotting stump. The other M8Ts were not recovered. Found a 1/2" rebar projecting 3' adjacent to the monument. The stand 0.90' north of the record position between Section corners. Accepted the corner position as found. E11) Found the 1971 monument in good condition, and at record bearing and distance from the R.Oak N8Ts SM and NM, I condition with overgrown blazes. The R.Oak NE was not recovered. Accepted the corner position as found. The corner learing made for an overhead electrical power line. | |
| A. Description of original monument and accessories and/or subsequent restoration: EIO) Quarter corner common to Sections 28-29. Reestablished in 1971 by A.O.Enger, RLS, midway and on line between et 1"IDX36" I.pipe with 4" alum. cap. Aspen 7 S10W 20.4', Aspen 6 S74W 7.0', Aspen 6 N74E 11.8' EII) Corner common to Sections 28-29-32-33. Reestablished by double proportionate measurement in 1971 by A.O.Enger "IDX36" I.pipe with 4" aluminum cap. Red Oak 8 N19W 70.5', Red Oak 9 S1.5W 78.5', Red Oak 6 N27E 58.2' B. Description of corner evidence found and/or method applied in restoring or reestablishing corner: EIO) Found the 1971 monument, set firmly but with cap broken off, at record bearing and distance from the remaining rotting stump. The other N8Ts were not recovered. Found a 1/2" rebar projecting 3' adjacent to the monument. The ast and 0.90' north of the record position between Section corners. Accepted the corner position as found. EII) Found the 1971 monument in good condition, and at record bearing and distance from the R.Oak N8Ts SW and NW, I condition with overgrown blazes. The R.Oak NE was not recovered. Accepted the corner position as found. The corner learning made for an overhead electrical power line. | 25- |
| A. Description of original monument and accessories and/or subsequent restoration: E10) Quarter corner common to Sections 28-29. Reestablished in 1971 by A.O.Enger, RLS, midway and on line between at 1*IDx36* I.pipe with 4* alum. cap. Aspen 7 S10W 20.4', Aspen 6 S74W 7.0', Aspen 6 W74E 11.8' E11) Corner common to Sections 28-29-32-33. Reestablished by double proportionate measurement in 1971 by A.O.Enger **IDx36** I.pipe with 4* aluminum cap. Red Oak 8 M19W 70.5', Red Oak 9 S1.5W 78.5', Red Oak 6 M27E 58.2' B. Description of corner evidence found and/or method applied in restoring or reestablishing corner: E10) Found the 1971 monument, set firmly but with cap broken off, at record bearing and distance from the remaining rotting stump. The other M8Ts were not recovered. Found a 1/2* rebar projecting 3' adjacent to the monument. The ast and 0.90' north of the record position between Section corners. Accepted the corner position as found. E11) Found the 1971 monument in good condition, and at record bearing and distance from the R.Oak NBTs SW and NW, I condition with overgrown blazes. The R.Oak NE was not recovered. Accepted the corner position as found. The corner learing made for an overhead electrical power line. | |
| E10) Quarter corner common to Sections 28-29. Reestablished in 1971 by A.O.Enger, RLS, midway and on line between et 1°IDx36° I.pipe with 4° alum. cap. Aspen 7 S10M 20.4', Aspen 6 S74M 7.0', Aspen 6 N74E 11.8' E11) Corner common to Sections 28-29-32-33. Reestablished by double proportionate measurement in 1971 by A.O.Enger "IDx36° I.pipe with 4° aluminum cap. Red Oak 8 N19W 70.5', Red Oak 9 S1.5W 78.5', Red Oak 6 N27E 58.2' B. Description of corner evidence found and/or method applied in restoring or reestablishing corner: E10) Found the 1971 monument, set firmly but with cap broken off, at record bearing and distance from the remaining rotting stump. The other NBTs were not recovered. Found a 1/2° rebar projecting 3' adjacent to the monument. The set of the record position between Section corners. Accepted the corner position as found. E11) Found the 1971 monument in good condition, and at record bearing and distance from the R.Oak NBTs SN and NM, I condition with overgrown blazes. The R.Oak NE was not recovered. Accepted the corner position as found. The corner learning made for an overhead electrical power line. | 34 35 36 |
| B. Description of corner evidence found and/or method applied in restoring or reestablishing corner: E10) Found the 1971 monument, set firmly but with cap broken off, at record bearing and distance from the remaining rotting stump. The other NBTs were not recovered. Found a 1/2" rebar projecting 3' adjacent to the monument. The ast and 0.90' north of the record position between Section corners. Accepted the corner position as found. E11) Found the 1971 monument in good condition, and at record bearing and distance from the R.Oak NBTs SN and NN, I condition with overgrown blazes. The R.Oak NE was not recovered. Accepted the corner position as found. The corner relearing made for an overhead electrical power line. C.
