Description of corner ev	idence found and/or met	had applied in regioning or regarablish	ing corner
		nod applied in restoring or reestablish	. 700 9
1 found a 3/4"	pin in o x square con	crete monument flush with the gro	ound; also found fallen tence
running north	-west. No history of t	this corner position was available.	It has, however, been used
and accepted	for a number of years	as noted by a local resident. A VI	6th corner found north on
the line is clos	se to a split between th	e section corner found north. The	monument found would be
approximately	y 2 feet south of a prop	portioned position. I am accepting	the monument as the one-
quarter comes	due to past use and ac	cceptance and its current harmonic	ous position.
