I, Chris Marschall, in a field survey on May 19 93 do hereby certify that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and/or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; established, re-established, monumented, re-monumented, recovered, found as expressed below:

NOTE: Not more than 4 corners, all in the same town and range, may be recorded on this certificate.

A. Description of original monument and accessories and/or subsequent restoration:

None

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

Found fences to the N. and S. of the center of section. Found 1/8 line occupations at 1/4 mile N. and 1/4 mile S. of the center. Ran the line from the N. 1/4 Corner South along fence bearing and double 1/8 line distance. Then ran the line from the S 1/4 corner North along the fence bearing and double the 1/8 line distance and missed 1st set point by 0.72 feet. (0.6' N. and S. and 0.4' E. and W.) split the difference and held for center. Dug and found nothing.

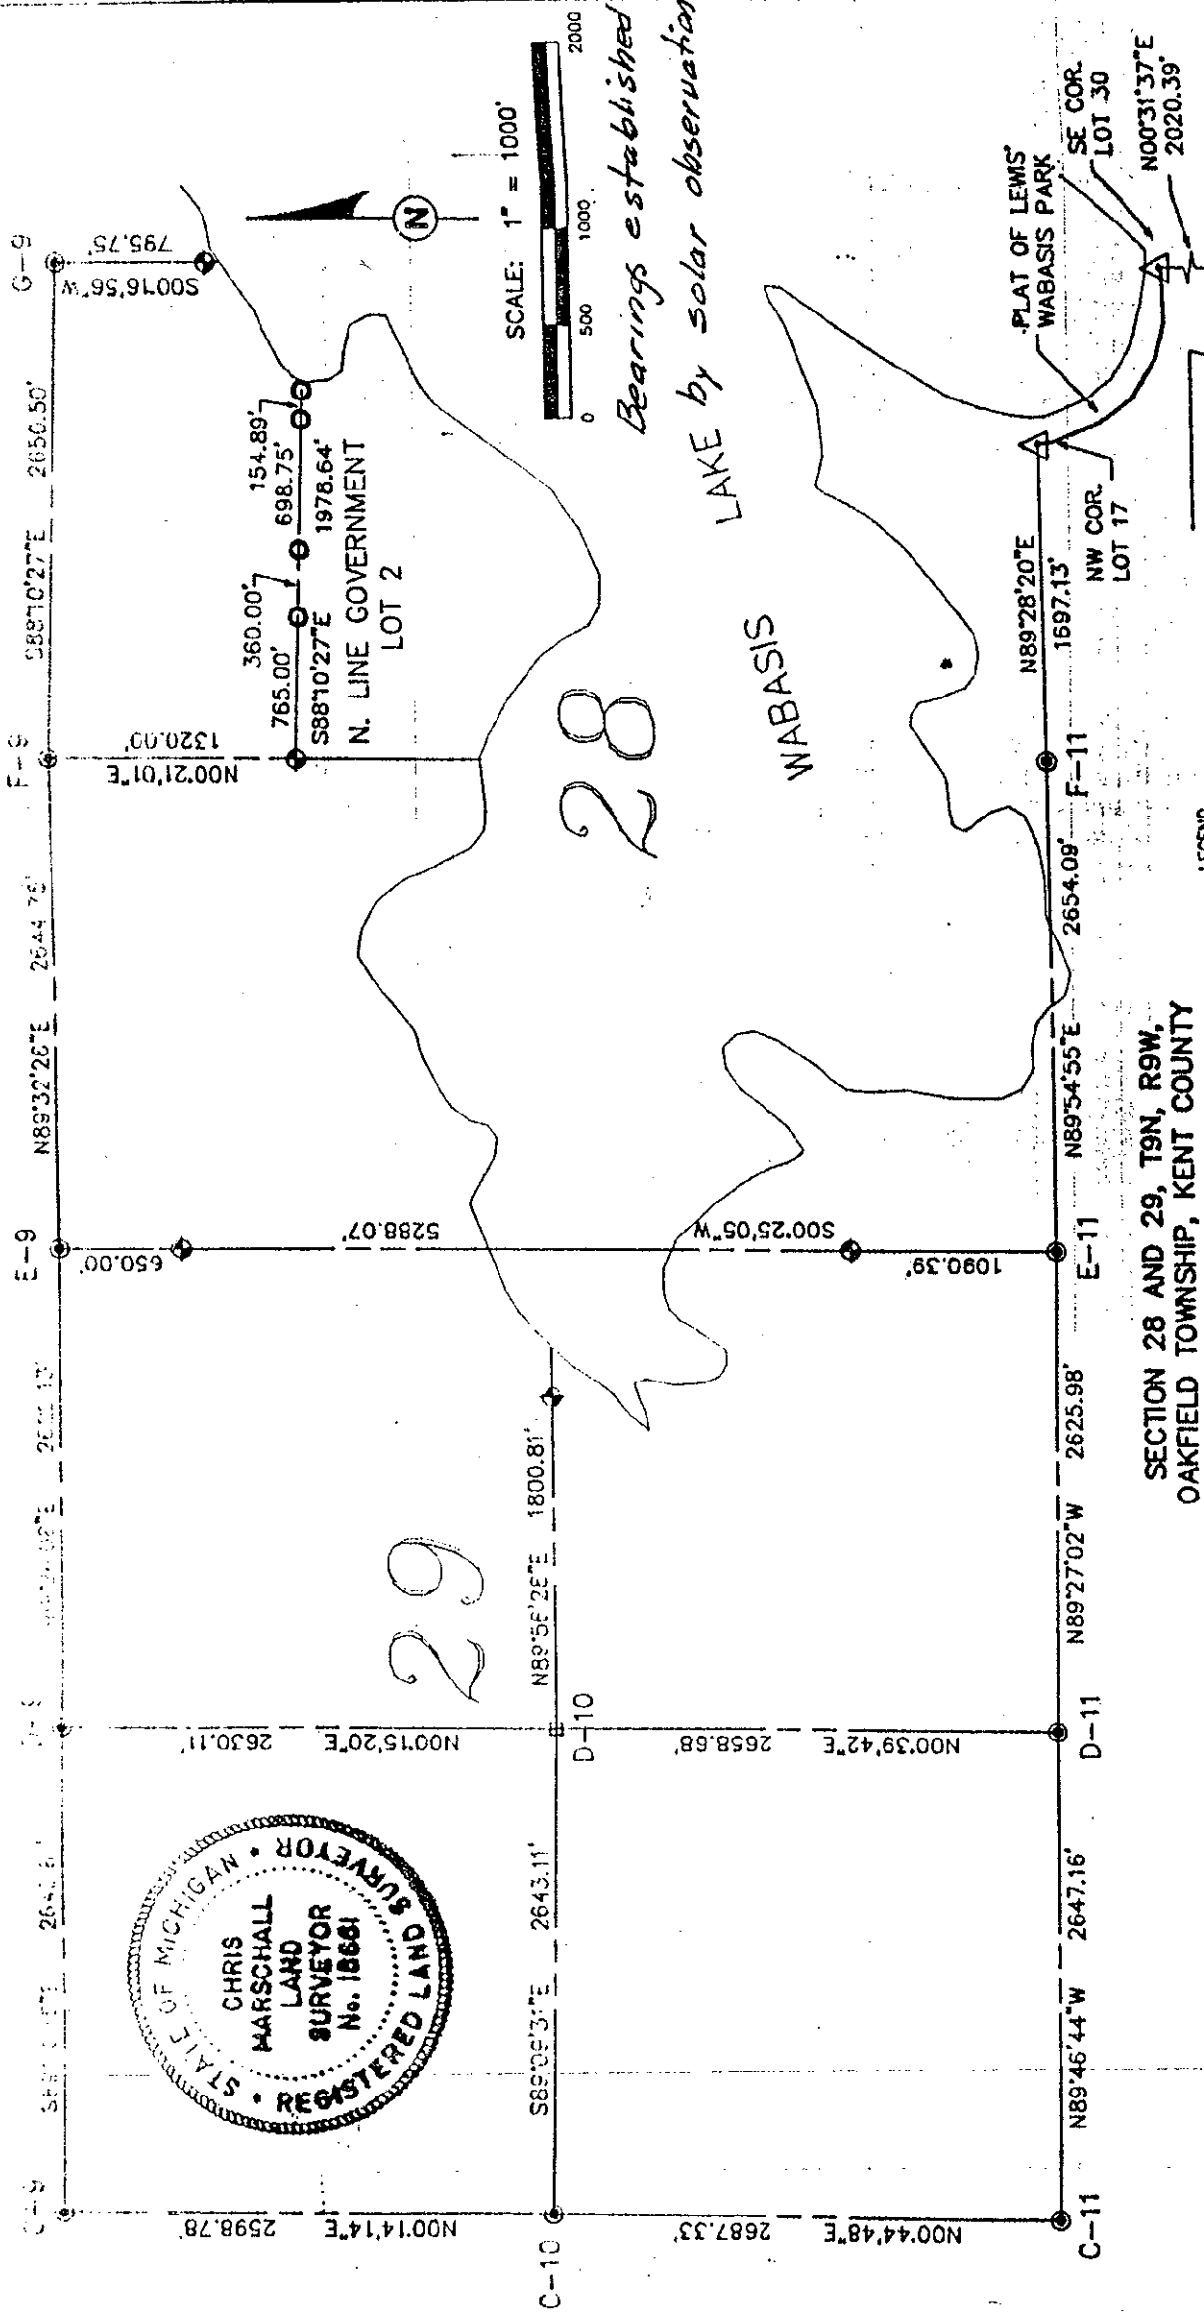

C. Description of monument for corner and accessories established to perpetuate locating the position of the
