B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

H-2 Established Intersection of 1/4 lines and found nothing at corner. N-S fence is 5' East and E-W fence is 24' North.

Minimal survey information in this section agrees with Intersection of 1/4 lines.

The Intersection of 1/4 lines is accepted by me and is generally accepted by professional surveyors as the best available evidence of the position of the corner.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner
