B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

1994 Kennedy Surveying, Inc. - Kennedy, P.S. #17623 - Fnd 1/2" Iron Rod 4' East of the centerline of Thornville Road, which has a gravel surface, fence and tree row extending to the East, and a pond to the West. I made a survey of the East 1/2 of Section 13, T6N, R10E, an accepted the West 1/4 corner of Section 18, T6N, R11E, as a common corner with the East 1/4 corner of Section 13, T6N, R10E.

Witnesses from Survey #1 were used to recover and verify the location of the found 1/2" Iron Rod.

I accepted the found 1/2" Iron Rod as the best evidence of the original corner position.

This LCRC is being Re-recorded to correct a typographically error R11E to R10E.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:

M-6 I replaced the found 1/2" Iron Rod with a 1/2" x 24" Iron Rod w/2" diameter brass cap stamped Lapeer County Monumental 10/14/94.

The selected location is accepted by me and is generally accepted by Professional Surveyors as the best available evidence of the position of the original corner.
