

MICHIGAN DEPARTMENT OF NATURAL RESOURCES

INTEROFFICE COMMUNICATION

Newberry, Michigan
January 6, 1971

TO: Joe N. Fields, Staff Forester
FROM: Billy D. Buckler, Registered Land Surveyor
SUBJECT: Land Corner Record, Sec's. 29-30-31-32, T45N R9W.

Subject Corner has two record forms, because in checking we found the figures to be in error and corrected same. The later dated record should have had noted - "This corner record will replace record for same corner dated 6/25/69".

Please add this to record dated 7/10/69 and attach to the earlier sheet.
