Informance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; attabilished, re-established, monumented, recovered, found as expressed below: DTE: Not more than 2 corners, all in the same town and range, may be recorded on this certificate. Description of original monument and accessories and/or subsequent restoration: Quarter corner common to Section 19 T49N-R10W and Section 24 T49M-R11W. 2000 - Perpetuated by J.C. Kapelczak RLS as recorded in in in Liber 3 Page 973 CCR, Luce County: "Found 4" brass cap on 1" fron pipe inside of 2" iron pipe set by Billy 9. Buckler". The rhad been previously recorded in 1958, 1978, and 1984 by Billy 9. Buckler RLS as a 1/2" rebar, subsequently perpetuated by a DNR ment. All Mr. Buckler's record witnesses support a single position. However, that position does not conform to the 2000 position record. Quarter corner common to Sections 23 and 24. 1971 - Remonwented by Billy 9. Buckler RLS: "This 1/4 corner re-established pidway on line bet. two Sec. Cors. Sec. 24 was sub-divided by Marcus Schaaf, RLS. Monwent was rewored during construction of the Grand as read. Corner lies in intersection of the N-5 firelane and the EBM road. 1" pipe with 4" aluminum cap. 9" Red Pine S54N 74.8", Pine S47E 50.9". Description of corner evidence found and/or method applied in restoring or reestablishing corner: Description of corner evidence found and/or method applied in restoring or reestablishing corner: Recovered the 2" ID iron pipe noted by Mr. Kapelczak. The 1" pipe with brass cap noted in the 2000 record has been removed by sons unknown. The monument was recovered Mars recovered Misc 5.39" from three of the four 2000 RBis: The 5" Pine S47E 35.10" now gone. The 2" pipe monument, fixed in a concrete base, is presumed here to have been set by Marcus Schaaf RLS but is not of road. The 1/2" rebar placed by Mr. Ruckler was recovered Misc 5.39" from the pipe and was not accepted by undersigned as marking position of the corner. I believe that Mr. Buckler d	rvey instructions of the United States	Department of the Interio	or, Bureau of Land Management o	orbya 7		
DTE: Not more than 2 corners, all in the same town and range, may be recorded on this certificate. Description of original monument and accessories and/or subsequent restoration: 10 Quarter corner common to Section 19 T49N-R10M and Section 24 T49K-R11M. 2000 - Perpetuated by J.C. Kapelczak RIS as recorded in lin Liber 3 Page 973 LCR, Luce County: "Found 4" brass cap on 1" iron pipe inside of 2" iron pipe set by 8illy D. Buckler". The mer had been previously recorded in 1958, 1978, and 1994 by 8illy D. Buckler RIS as a 1/2" rebar, subsequently perpetuated by a 0NR ment. All Nr. Buckler's record witnesses support a single position. However, that position does not conform to the 2000 position ecord. Quarter corner common to Sections 23 and 24. 1971 - Resonaumented by 8illy D. Buckler RIS: "This 1/4 corner re-established midway on line bet. two Sec. Corns. Sec. 24 was sub-divided by Marcus Schaaf, R.I.S. Honusent use renoved during construction of the Grand is road. Corner lies in intersection of the H-S firelane and the EMM road. 1" pipe with 4" aluminum cap. 9" Red Pine SS4M 74.8", P. Pine S47E 50.9". Description of corner evidence found and/or method apptied in restoring or reestablishing corner: Recovered the 2" 1D iron pipe noted by Mr. Kapelczak. The 1" pipe with brass cap noted in the 2000 record has been removed by sons unknown. The nonument was recovered at record bearing and distance from three of the four 2000 NBTs: The 5" Pine S47E 35.10" and you sone. The 2" pipe anoument, fixed in a concrete base, is presumed here to have been set by Marcus Schaaf RIS but is not of rord. The 1/2" rebar placed by Mr. Buckler was recovered Mit 3.95" from the pipe and was not accepted by the undersigned as marking position of the corner. I believe that Mr. Buckler did not find the 2" pipe in 1938 but would have accepted it if he had done so. I have been set by Marcus Schaaf RIS but is not of rebunding the properties of the pipe and the Buckler rebar was still in place, undisturbed, in 2006. In spite of the usion in					20212	2 23 24 4
Onthis certificate. Description of original monument and accessories and/or subsequent restoration: Quarter corner common to Section 19 149N-RIOM and Section 24 149N-RIIM. 2000 - Perpetuated by J.C. Kapelczak RLS as recorded in in Liber 3 Page 973 LCR, Luce County: "Found 4" brass cap on 1" iron pipe inside of 2" iron pipe set by Billy D. Buckler". The mer had been previously recorded in 1958, 1978, and 1984 by Billy D. Buckler RLS as a 1/2" rebar, subsequently perpetuated by a DNR ment. All Mr. Buckler's record witnesses support a single position. However, that position does not conform to the 2000 position ecord. Quarter corner common to Sections 23 and 24. 1971 - Remonumented by Billy D. Buckler RLS: "This 1/4 corner re-established midway on line bet. two Sec. Cors. Sec. 24 was sub-divided by Marcus Schaaf, RL.S. Monument was recoved during construction of the Brad as road. Corner lies in intersection of the H-S firelane and the ELM road. 1" pipe with 4" aluminum cap. 9" Red Pine SS4W 74.8", Lipine S4TE 50.9". Description of corner evidence found and/or method applied in restoring or reestablishing corner: Recovered the 2" ID iron pipe noted by Mr. Kapelczak. The 1" pipe with brass cap noted in the 2000 record has been removed by sons unknown. The monument was recovered at record bearing and distance from three of the four 2000 NRS: The 5" Pine S4TE 35.10" tong gone. The 2" pipe anomament, fixed in a concrete base, is presumed here to have been set by Marcus Schaaf RLS but is not of ord. The 1/2" rebar placed by Mr. Buckler was recovered MolE 3.95' from the pipe and was not accepted by the undersigned as marking position of the corner. I believe that Mr. Buckler did not find the 2" pipe and was not accepted by the undersigned as marking position of the corner. I believe that Mr. Buckler did not find the 2" pipe and was not accepted by the undersigned as marking position of the corner. I believe that Mr. Buckler sides of the 1911 with the sides of the 2" pipe described below. Description of monument in	tablished, re-established, monumente	d, recovered, found as ex	pressed below:	9		
On this certificate. Description of original monument and accessories and/or subsequent restoration: Quarter corner common to Section 19 149M-RIOW and Section 24 149M-RIOW. 2000 - Perpetuated by J.C. Kapelczak RLS as recorded in lin Liber 3 Page 973 LCR, Luce County: "found 4" brass cap on 1" iron pipe inside of 2" iron pipe set by Billy 0. Buckler". The near had been previously recorded in 1958, 1978, and 1984 by Billy 0. Buckler RLS as a 1/2" rebar, subquently perpetuated by a DMR ment. All Mr. Buckler's record witnesses support a single position. However, that position does not conform to the 2000 position record. Quarter corner common to Sections 23 and 24. 1971 - Remonwented by Billy D. Buckler RLS: "This 1/4 corner re-established midway on line bet. two Sec. Cors. Sec. 24 was sub-divided by Narcus Schaf,R.L.S. Monument was removed during construction of the Grand is road. Corner lies in intersection of the M-S firelane and the EMM road. 1" pipe with 4" aluminum cap. 9" Red Pine S54W 74.8", Pine S47E 50.9". Description of corner evidence found and/or method applied in restoring or reestablishing corner: Recovered the 2" 10 iron pipe noted by Mr. Kapelcrak. The 1" pipe with brass cap noted in the 2000 record has been removed by some one to be a proposed by the suckler was recovered McIE 3.95" from the pipe and was not accepted by the undersigned as marking position of the corner. I believe that Mr. Buckler did not find the 2" pipe in 1958 but would have accepted by the had done so. Buckler states in 1984 that the 1958 position was marked by a D.M.R. monument, but that claim is surely in error as Mr. Kapelcrak see that the DMR monument was found in the 2" pipe and the Buckler rebar was still in place, undistribed of the undersigned as marking position of the corner. I believe that Mr. Buckler did not find the 2" pipe in 1958 but would have accepted by the had done so. Buckler states in 1984 that the 1958 position was marked by a D.M.R. monument, but that claim is surely in error as Mr. Kapelcrak set the	OTE: Not more than 2 corners.	all in the same town	and range, may be recorde	d 10—30—	29282	72625

Corner lies in intersection of the N-S firelane and the EAM road. 1" pipe with 4" aluminum cap. 9" Red Pine SS4M 74.8", N.Pine S47E 50.9". Description of corner evidence found and/or method applied in restoring or reestablishing corner: Recovered the 2" ID iron pipe noted by Mr. Kapelczak. The 1" pipe with brass cap noted in the 2000 record has been removed by sons unknown. The monument was recovered at record bearing and distance from three of the four 2000 NBTs: The 5" Pine S47E 35.10' low gone. The 2" pipe wousent, fixed in a concrete base, is presumed here to have been set by Marcus Schaf RLS but is not of road. The 1/2" rebar placed by Hr. Buckler was recovered McIE 3.95' from the pipe and was not accepted by the undersigned as marking position of the corner. I believe that Mr. Buckler did not find the 2" pipe in 1958 but would have accepted it if he had done so. Buckler states in 1984 that the 1958 position was marked by a D.M.R. monument, but that claim is surely in error as Mr. Kapelczak less that the DNR monument was found in the 2" pipe and the Buckler rebar was still in place, undisturbed, in 2006. In spite of the fusion of the corner: Pound 2' iron pipe. Drove 5/8" Whine MSSH 56.5" A Pine MSIM 69.55' Me Pine MSIM 6	December of entated accounts			12 -31-	-32333	35 36
Lin Liber 3 Page 973 LCR, Luce County: "Found 4" brass cap on 1" iron pipe inside of 2" iron pipe set by Billy D. Buckler". The mar had been previously recorded in 1958, 1978, and 1984 by Billy D. Buckler RLS as a 1/2" rebar, subsequently perpetuated by a DNR ment. All Hr. Buckler's record witnesses support a single position. However, that position does not conform to the 2000 position record. Nearter corner common to Sections 23 and 24. 1971 - Remonwmented by Billy D. Buckler RLS: "This 1/4 corner re-established midway on line bet. two Sec. Cors. Sec. 24 was sub-divided by Marcus Schaaf,R.L.S. Monument was removed during construction of the Grand is road. Corner lies in intersection of the H-S firelane and the EEM road. 1" pipe with 4" aluminum cap. 9" Red Pine S54M 74.8", Pine S47E 50.9". Description of corner evidence found and/or method applied in restoring or reestablishing corner: Recovered the 2" ID iron pipe noted by Mr. Kapelczak. The 1" pipe with brass cap noted in the 2000 record has been removed by sons unknown. The monument was recovered at record bearing and distance from three of the four 2000 NBTs: The 5" pine S4TE 35.10" low gone. The 2" pipe monument, tixed in a concrete base, is presumed here to have been set by Marcus Schaaf RLS but is not of road. The 1/2" rebar placed by Mr. Buckler was recovered MEIE 3.95" from the pipe and was not excepted by the undersigned as marking position of the corner. I believe that Mr. Buckler did not find the 2" pipe in 1958 but would have accepted by the undersigned as marking position of the corner. I believe that Mr. Buckler did not find the 2" pipe in 1958 but would have accepted by the undersigned as marking position of the corner. Recovered the 1971 monument in good condition and at record bearing and distance from the 1971 witnesses, both in good condition. The monument in place and made additional witnesses as described below. Repine MSIM 69.55' do 14" R.P.Pine MSZW 51.81" * R.P.Pine S11M 69.55' and "1/45" # 13" M.P.Pine 6345 51.11" * SEPHAN J.
