K-12: E 1 Corner Section 35 Howell Twp. Liv. Co. MI

Found 1" iron pipe in mon. box. Oldest known witness is 1967 when L.W. Munsell reset the Corner from irons found in "Assessor's Plat #1" which was surveyed in 1933 by C.W. Gordon. An Act 74 was recorded on the same iron by Washtenaw Engineering in 1973. Corner is in the centerline of Sibley and Gregory Sts. and lines to the North along the East line of "Assessor's Plat #1" and West line of "Crane-Brooks Addition to the Village (now City) of Howell". The 1" iron pipe is located in a mon. box in asphalt surface of a city street. Tall Maple trees line the street in all directions.
