A. Description of original monument and accessories and/or subsequent restoration:

NOTE: Not more than 4 corners, all in the same town and range, may be recorded

on this certificate.

- 19) East 1/16 corner, Section 33. Corner recorded by Billy D. Buckler in 1963 as being established and consented midway and on a straight line between F12 and 612.
- (7) Corner recorded by Billy D. Buckler as being established and monumented in 1963 midway and on a straight line between 611 and 612.
- (5) Corner not established in original survey. Found no record of subsequent monumentation.
- 8. Description of corner evidence found and/or method applied in restoring or reestablishing corner;
- (9) Found and accepted I"v3?" pipe with 4" aluminum tablet placed by Buckler in 1963. Top 12" of monument was bent westerly but remainder was vertical and set firmly in the ground. Aluminum tablet was intact. Buckler's 1963 M. Pine BT is dead. Removed and replaced found monument with a new monument.
- (7) Found and accepted it pipe with 4" aluminum tablet placed by Buckler with his recorded BT (beech SE 33.5 links with base blaze and scribing) agreeing. Maple BY has been cut.
- (5) Established and converted the corner equidistant and on a straight line between FII and FI2. FII is a computed position midway and on a straight line between adjacent regular section corners, and FI2 is a monumented corner.
