(M12) Recovered the 1986 monument in good condition and at record bearing and distance from the 1986 witnesses. The NBTs S73E tere misnamed on the 1986 record. They are M. Birches, not M.Pines. Furthermore, the NBT S15M is now a stump. The remaining in good condition. Verified the position of the monument, it being 0.65' SM of the position intended in 1986. I accept the mass a careful and faithful reestablishment of the position of the original corner. (13-Sec. 36) Established the corner at the intersection of straight lines connecting opposite 1/16 corners. From the position istablished, I found a metal fence post by others, projecting 7', bearing S87W 67.8' distant. C. Description of monument for corner and accessories established to perpetuate locating the position of the corners. From the position istablished, I found 1" I.pipe with 4" alum.
