ratified by the Manistee County Peer Group according to the county plan adopted pursuant to P.A. 345 of 1990, as amended, (being the State Survey and Remonument Act, MCL 54.261 et. sec.). Date of Peer Review: Arthury m.

Description of corner evidence found and/or method applied in restoring or reestablishing corner: J-13 South ¼ Corner Section 35, T24N, R13W

(Good)

On June 4, 1999, I Anthony Slawinski, with a field crew from Abonmarche found a 12" cabin spike in a monument box. There is an old fence running North and one running South from the corner. I found no other evidence to dispute this location for the corner. I believe the PK nail used by Bonney was destroyed by the Manistee County Road Commission when they resurfaced 13 Mile Road.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner: J-13 South ¼ Corner Section 35, T24N, R13W

On June 4, 1999, I set a Manistee County Monument in the exact location of the above mentioned Cabin Spike as a careful and faithful re-establishment of the position of the original corner and witnessed by:

3. N 01° W 41.28' 24" Maple (Fd. 60d in East side of tree)

4. S 01° E 93.36' 42" Maple (Fd. 60d in East side of tree)

5. S 37° E 65.08' 12" Maple (Fd. 60d in East side of tree)

7. N 40° W 54.33' 12" Beech (Set 60d in West side of tree)

Note: Corner is in the centerline of 13 Mile Road.
