B. Description of corner evidence found and/or method applied in restoring or reestablishing corner: Found 1" iron pipe set by J. Schulke from Nordlund & Associates notes in 1979.

ancient fence line running North-South is 14 ft. d

West of the corner.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner: Did not accept the pipe and pulled it. Restored corner by single proportionate measurement as the best available method to restablish the position of the original corner. Set 5/8"X3! rebar with a aluminum County Cap to identify the corner with the following corner references:

16" W Oak N41°E 26.60 ft.

10" R Pine S71°E 33.34 ft.

18" Doat C71°W 22.51 ft.

10" 18" S71°E S71°W 33.34 Et. 22.41 ft. 25.57 ft. 18" R Oak 13" W Oak N55°W

ancient woven fence running South-North is West 14 ft. of the corner. 6"X6" treated post North 0.7 ft. of the corner.

REVISED MAY 14, 1975
