H-13 South 1/4 Corner for Section 34, T19N, R17W, on the township line

On September 14, 1995, I found a 1/2" Re-rod, 1.0 foot long, placed 5 feet North of the center-line of Decker Road(gravel), I also found a very old fence line, lying down to the North and a fence corner post 38 feet South. I also located the North 1/4 Corner, for Section 1, T18N, R17W, a distance of 20.95 feet, East. I found no other evidence to dispute this location for the Corner. Condition of recorded witnesses is; #1 Cone #2 Gone

- C. Description of monument for corner and accessories established to perpetuate locating the position of the corner:
- H-13 South 1/4 Corner for Section 34, T19N, R17W, on the township line

I replaced 1/2" Re-rod with a 5/8" Re-rod, 24" long, with an aluminum cap, stamped MASON COUNTY MONUMENT, I placed the monument 0.5 feet below gravel road 5 feet North of caenter-line, and is accepted as a careful and faithful reestablishment of the position of the original corner.

Maple 8" S 17° W 45.52'(60d spike in NW side of tree)
Twin Maple 5" N 38° W 38.27'(60d spike in NE side of tree)
Concrete Monument(Ross RLS Cap) S 28° E 40.37'
MASON COUNTY MONUMENT($2\frac{1}{2}$ " aluminum capped re-rod) East 20.9
