CIRCLE CORNER REGISTERED

DESCRIPTION IN DETAIL AS TO HOW CORNER WAS LOCATED AND IDENTIFIED OR RESTORED.

This corner was set from stumps of two original White Pine bearing trees. The stump N 60 E shows face and scribe marks; the other stump is too badly decayed and weathered to show face or scribe marks. There was an old square cedar post at proper location. Corner was found by H. Borak in February, 1956 while looking over state land in the area. Corner was set on 4/25/61 by A. Netaa and W. Oliver.
