Register of Deeds Stamp & File Number

I, <u>William Lenca</u>, in a field survey on <u>December</u>, 19 <u>93</u>. do hereby certify that under requirements of P.A. 74, Michigan P.A. of 1970, the corner points mentioned in lines 1 and 2 above were in conformance with regulations and rules therefore as required in the current manual of survey instructions of the United States Department of the Interior, Bureau of Land Management or by a decree of a Court of Law and/or that the corner points mentioned in lines 3, 4 and 5 above were in conformance with the rules of the Michigan Board of Land Surveyors or by a Decree of a Court of Law; established, re-established, monumented, re-monumented, recovered, found as expressed below:

NOTE: Not more than 4 corners, all in the same town and range, may be recorded on this certificate.

A. Description of original monument and accessories and/or subsequent restoration:

ORIGINAL B.T.'s: Cedar, 14", S62°W, 09 1ks Cedar, 24", S38°E, 09 1ks

Original Survey by James H. Mullett in 1848. All original evidence for this corner has been destroyed by county road improvements and farming activities.

PERPETUATION: This corner is shown on a Federal Aviation Agency TVOR Facility Site Plan dated 6/20/62 (Surveyor unknown). This corner is also shown in Certified Survey No. 204 by George B. Wilson in Jan. 1981.

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner:

Found  $1\frac{1}{2}$ " dia. Aluminum Pipe/ $2\frac{1}{2}$ " dia. Aluminum cap in location indicated by FAA Site Plan mentioned in "A" above. This position matches information contained in Certified Survey No. 204. Corner position falls in line with an old fence line running East from this position, and is accepted as the best available evidence of the location of the original corner.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories established to perpetuate locating the position of the corner and accessories are accessories and accessories and accessories are accessories accessories and accessories are accessories accessories accessories are accessories accessories accessories accessories accessories accessories are accessories ac

Found  $1\frac{1}{2}$  dia. Alum. Pipe/ $2\frac{1}{2}$  dia. Alum. cap stamped for corner:

14 dia. White Ash

N70°E

23.73 feet

9" dia. Apple

\$58°E

8.85 feet

Nail in 6"x6" Wood Post in Concrete - S21°W

31.77 feet
