B. Description of corner suidence found and/or make described		
B. Description of corner evidence found and/or method applied in restoring	_	
In a 1995 survey of Section 27, T39N-R27W, we recovered a 3/4" diam	neter (recorded as 5/8" in	L.C.R.C. No. 780) x 30* long badly
bent iron bar. We excavated around the iron bar until we were able to monument described in part "C". The corner falls in the centerline of (determine its correct upri	ght position, and replaced it with the
with an old lane running East. This corner has been accepted and used	by local surveyors for se	veral years, and is accepted as the
best available evidence of the position of the original corner.	•	, ,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,
