DESCRIPTION IN DETAIL AS TO NOW CORNER WAS LOCATED AND IDENTIFIED OR RESTORED.

This corner was found during a survey in this township. Found a 1" pipe with a brass cap labeled "State of Michigan" at corner previously established by unknown. Apparently perpetuates corner established by Fargo Eng. whose NBTs are evident. Also, a concrete monument removed and lying here. Very old corner.

SURVEYOR'S SEAL

SIGNED Lewell Stling
REGISTERED LAND SURVEYOR #Y0068
