INTEROFFICE COMMUNICATION

Roscommon, Michigan
Region II
October 24, 1966

GT
TO: Gordon Terry, Timber Sales
FROM: Kenneth J. Ostling, Regional Surveyor
SUBJECT: Corner Records

Would you please either (1) substitute the attached corner records for the ones you have on file; or (2) make the corrections on your copy to correspond with the attached.

I discovered the errors when filing my copy of the record. The ones you have on file are intended to describe the corners as shown on the attached records.

Hope I haven't goofed up your maps too much.
