DOSSIER FOR: THE SOUTHWEST CORNER OF SECTION 22, MILFORD TOWNSHIP, T 2 N, R 7 E, OAKLAND COUNTY, MICHIGAN. Prepared under contract with the County of Oakland Under Act 345 of the Public Acts of 1990.

HISTORY:

This Township was originally surveyed by Joseph Wampler, Deputy Surveyor, in 1823.

SPECIAL NOTES:

After reviewing the transcripts of the Original GLO Notes, I believe that the original survey lines were run as documented and that the dimensions seem to be accurate in the Southeast 1/4 of this Township, with our measurements agreeing within 10 to 15 feet, in practically all instances.

This Corner has been accepted and used since before 1979, as evidenced by recordings under Act 74 of the Public Acts of 1970.

COLLATERAL EVIDENCE:

We found a MDOT Brass Cap 1' East of the Centerline of Milford and Buno Roads. We searched at least 50 feet in each direction for other stakes and found none that might represent the Corner.

The measured dimensions to the West 1/4 Corner and the South 1/4 Corner of Section 22 agree with the dimensions taken from recorded surveys, the most recent tax maps and/or other old surveys within one half of a foot.

This Corner was first recorded in 1979 by Huston K. Kennedy in Liber 7524, Page 754, of the Oakland County Records.

SURVEYOR'S RECOMMENDATIONS:

Therefore, I recommend that the Peer Review Group accept this Corner as monumented, with the references as shown on the enclosed form prepared according to Act 74 of the Public Acts of 1970.
