JANUARY 8, 1998

Corner Code: H-5

DOSSIER FOR: THE SOUTH 1/4 CORNER OF SECTION 10, SPRINGFIELD TOWNSHIP, T 4 N, R 8 E, OAKLAND COUNTY, MICHIGAN. Prepared under contract with the County of Oakland Under Act 345 of the Public Acts of 1990.

HISTORY:

The boundary of this Township was surveyed by Alex Holmes, D.S. in 1815 and Joseph Wampler, D.S. set the Corners for the subdivision of it in 1823.

SPECIAL NOTES:

This Corner has been accepted and used since before 1962 as witnessed by the Road Commission for Oakland County at that time. It was recorded under Act 74 of the Public Acts of 1970 in Liber 5975, Page 328, by Forrest R. Jones, Surveyor in 1972.

COLLATERAL EVIDENCE:

This Corner lies 11 feet South of the Centerline of Davisburg Road, 48 feet West of the West end of a guard rail and 15 feet North of an old wood fence.

We searched at least 50 feet in each direction for other stakes and found none that might represent the Corner.

The measured dimensions to the Southwest Corner and the Southeast Corner of Section 10 agree with the recorded dimensions within 0.3 feet and 0.4 feet respectively.

SURVEYOR'S RECOMMENDATIONS:

The selected location is accepted by the Contractor and is generally accepted by Professional Surveyors as the best available evidence of the position of the original Corner. Therefore, I recommend that the Peer Review Group accept this Corner as monumented, with the references as shown on the enclosed form prepared according to Act 74 of the Public Acts of 1970.
