JKT 374, D SANDEL, PS25870, 10-1-85; CORNER NOT DESCRIBED OR WITNESSED

B. Description of corner evidence found and/or method applied in restoring or reestablishing corner

I found about 6" below the surface of an east-west gravel road a T-Iron, Sandel PS25870. This Iron fits MDSH Distance and Angle ties east & west taken from MDSH plans for US31 HWY. This T Iron fits one standing MDSH witness and two standing Sandel witnesses. Upon excavation, I found the T Iron to be a riser above a 1" pinched pipe about 2' below the surface of the gravel.

The T Iron above the 1" pinched Pipe IS ACCEPTED AS A CAREFUL AND FAITHFUL PERPETUATION OF THE POSITION OF THE ORGINAL CORNER.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner.
