B. Description of corner evidence found and/or method applied in restoring or reestablishing corner

This corner falls in a gravel road running through a swampy region.   No witnesses remain from historical record.   An ancient fence runs to the east from this corner.   I projected this fence from a point about 400' east and recovered several old fence posts in varying state of _repair_ to the center of the gravel road.   This represents the best available evidence for the position of the corner.

I SET A 1/2" X 2' IRON IN THE CENTER OF NORTH-SOUTH GRAVEL ROAD ON OLD FENCE LINE TO EAST AND IS ACCEPTED AS A CAREFUL AND FAITHFUL REESTABLISHMENT OF THE POSITION OF THE ORIGINAL CORNER.

C. Description of monument for corner and accessories established to perpetuate locating the position of the corner.

L-7 1/4 CORNER COMMON TO SECTIONS 13 AND 24   LEAVITT TWP; T15N, R15W
